The County doesn't really feel that hearings are necessary for any of the pending motions—particularly as most of the motions have already been filed with the court for several months and any belated hearing at this juncture may only serve to further delay a formal response on the motions from the court.

But if the County is the only party that feels this way, it will reluctantly join in any stipulation on hearings.

Good afternoon,

Now that all the Motions to Dismiss in this case have been fully briefed, we are inquiring to see if all parties would be agreeable to stipulating to request a hearing wherein all motions could be heard on the same hearing date or if necessary, back-to-back days.

Please advise if you would be agreeable to such a stipulation and we will get it drafted.

Thank you for your time and consideration of this request.

Best,

Bernadette
